## WORK EXPERIENCE

### **Creative IT Institute & software farm (Web developer)**

**2018 December – 2021 December**

I had a great experience to work with Creative it Since 2018. Among the Job I got chance to entered in Software Marketplace. I have done many project there for international and national client. My main Responsibility was to maintain and develop the Website as per client Requirement. Others are:

- Creating website layout/user interface by using standard HTML/CSS practices.
- Creating websites that are user-friendly, effective and appealing
- Ensuring cross-platform optimization for mobile phones and Pc both.
- Troubleshoot, debug and upgrade
- Troubleshoot PHP, MySQL, and Backend issues related to websites.
- Designing and implement new features, enhancements, and content of existing websites.

## EDUCATION

### **HSC/Alim**

**Feni Alia Kamil Madrasha – 2016**

I completed my HSC study in Alia Madrasha. That was 2 years course where my main subjects was science. I passed with good CGPA 4.89 out of 5.00.

### **Diploma In Web Designing & Development.**

**Creative it institute – 2018**

I started my Web Design & development Journey from Creative it. I did my Diploma Engineering course for 2 years on Web Design and Development. My Major course was JavaScript Programming.
